In plaats van de bestanden NOOBS_v3_0_0.zip (bij Linux) en Windows.iso (bij Windows) zijn om ruimte te besparen (1,7G resp. 3,8G) html pagina's met hun downloadlinks opgenomen. Om een bestand te downloaden opent u de html pagina in een browser en klikt op de erin opgenomen link. Volg verder eventuele instructies.

Van de reviews zijn de samenvattingen in PDF-formaat opgenomen en waar mogelijk ook een installatiebestand van het besproken programma. De volledige reviews kunt u [op deze website](#) lezen mits u bent ingelogd en abonnee van de SoftwareBus bent. Van de reviews kunt u een PDF maken door rechts bovenaan de review op PDF te klikken.
